Director, Defense Intelligence Agency

Jim,

As I mentioned on the phone, we can not use the [redacted] to help you out with the [redacted]. It would simply be against the law. I do think this request has merit, however, and I will ask [redacted] to check with his Caribbean Basin Steering Group to see if they can recommend an alternative source of funding.

On the more general question of a Reserve, I would be glad to support the need for a Reserve for Contingencies for DoD, or, in particular, for the GDIP.
